## **Supplier Trade Ethics & Labor Conformity**

Keller Technology Corporation mandates that all Approved Suppliers conform to all United States Government laws & regulations concerning export controls, fair hiring, wage & labor, and environmental protection practices including, but not limited to the exclusion of any business practices which abet, encourage or involve:

- Child labor
- Forced labor
- Human trafficking
- Indentured servitude
- Use of, or trade in conflict minerals
- Illegal waste management practices
- Illegal storage or dumping of hazardous materials
- Violation of international export & trade sanctions

As a KTC Approved Supplier, \_\_\_\_\_ certifies its adherence to all applicable U.S. laws and regulations concerning fair labor, material origins, and environmental protection.
