

# **PRECISION FABRICATION – Drum Shield**

**PROJECT PROFILE**

**Industry:** Energy Laboratory

**Image:**

**Description:**

Drum Shield - Experimental

**Services Provide:**

- Project Management
- Manufacture
- Engineering Support

**Major Equipment Provided:**

- Custom Fabrication and assembly
- Gear Rack
- Gear Box
- Motor and electrical assembly

**Highlights:**

- High density concrete filled cylindrical fabrications
- Lead filled cylindrical fabrications
- B4C filled cylindrical fabrications
- Precision machining of all cylindrical fabrications
- Assembly and test
