### **KTC – Buffalo New Supplier Application Packet**

1. Please note this is an application to become an Approved Supplier for the Buffalo/NY facility of Keller Technology only. Applications for the Charlotte facility must be completed and filed separately per instructions on the supplier landing page.
2. To apply, first read all FAQ's on the supplier landing page.
3. Complete the forms below with all current, accurate and available information.
  - Commercial suppliers complete only pages 1 & 2
  - Sub, fabrication, plating and all other suppliers must complete all pages.
4. Once completed, attach the application packet, a current W-9 form and any relevant documentation or certifications and email to: [BuffaloSuppliers@kellertechnology.com](mailto:BuffaloSuppliers@kellertechnology.com)
5. **Please note:**
  - Submission of an application does not guarantee approval.
  - We only purchase from Approved Suppliers however, Approved Suppliers are not guaranteed orders on approval. Orders are placed based on business need.
  - Approved Suppliers will be contacted when they are added to the Approved Supplier List.
  - Due to volume of applications, we are unable to contact suppliers who are not approved. Please do not call or email with follow-ups.

## **Supplier Ethics & Labor Conformity**

Keller Technology Corporation mandates that all of its U.S. based approved suppliers conform to all United States government laws & regulations concerning fair hiring, wage, labor, and environmental protection practices including but not limited to the exclusion of any business practices which encourage or involve:

- Use of or trade in conflict minerals
- Illegal waste management practices
- Illegal storage or dumping of hazardous materials
- Child Labor
- Human trafficking
- Indentured servitude
- Forced labor

As a KTC approved supplier, \_\_\_\_\_ certifies its adherence to all applicable U.S. laws and regulations concerning labor and environmental protection.

## Capabilities (check all that apply)

### **CNC Milling**

Horizontal – Size:

Vertical – Size:

### **CNC Turning**

Small  
Up to Ø6" x 14"

Medium  
Up to Ø12" x 30"

Large  
Larger than Ø12" x 30"

### **Manual Turning**

Small  
Up to Ø6" x 14"

Medium  
Up to Ø12" x 30"

Large  
Larger than Ø12" x 30"

### **Wire EDM**

Small  
Up to 12" x 12" x 12"

Medium  
Up to 30" x 30" x 30"

Large  
Larger than 30" x 30" x 30"

### **Heavy Presses**

Small  
Up to 25 tons

Medium  
Up to 50 tons

Large  
Up to 100 tons (or greater)

### **Tolerance Capability**

Loose  
Can hold dimensional  
tolerances accurate to  
±.01"/.25mm

Medium  
Can hold dimensional  
tolerances accurate to  
±.005"/.125mm

Tight  
Can hold dimensional  
tolerances accurate to  
±.0005"/.025mm
